PdfEbookCutter is a portable standalone application that allows you to quickly and easily split, or extract sections from PDF documents. Split documents into multiple pages - PDF to eBook PdfEbookCutter is a portable application that easily splits a PDF document into separate pages. This means that you can create your own e-book versions of PDF documents. Easily extract content from selected pages and save them to text, image and other formats. PdfEbookCutter Quick Start Guide Step 1: Download and Install PdfEbookCutter Download and install PdfEbookCutter. After the installation, launch the application, and select the original PDF document file which you want to convert to eBook version. Step 2: Split Documents into Pages After opening the application, it will automatically detect the PDF document. Click on the "Split into Pages" button to start the process. You can preview the output of the document splitting option, and select the location for the output page. Click the "Next" button to continue the process. Step 3: Import and Export Files Click the button for choosing the document exporting to the computer, in order to save the document as ePub, PDB, PDF, JPEG, etc. Manage the output file options, like image size, file name, page rotation, etc. You are able to preview the output file at any time during the editing process. Click "Save" to complete the process. The process of splitting PDF files into multiple pages will be completed. You can now save the output to a variety of document formats.

Newly elected president of the United Students of the University of Alabama in Huntsville (UAH) has a clear plan to take the school to new heights: build the city of Huntsville a new university. The university is currently located in Decatur, 20 miles away. Plans are being put into place to move the university out of the district and into the city center. Throughout the coming weeks, the school will be holding a series of town hall meetings. The first is scheduled for 5 p.m. Wednesday. The public is welcome. See the event's flyer here. The city is considering the name "President William C. Oates University of Huntsville." The university says it will see some construction, which should start by the end of the year
